2012-2013 RECOVERING SERVICE MEMBER REDUCED-FEE HUNTING LICENSE APPLICATION

FEE: \$6.70 (Includes 3% Nonrefundable Application Fee)

INCOMPLETE OR UNSIGNED APPLICATIONS WILL BE RETURNED. ALLOW 15 BUSINESS DAYS FOR PROCESSING.

Recovering service members are eligible for reduced-fee hunting licenses. A recovering service member is defined as a member of the Armed Forces, including a member of the National Guard or a Reserve, who is undergoing medical treatment, recuperation, or therapy and is in an outpatient status while recovering from a serious injury or illness related to the member's military service. **Submit a letter from your commanding officer or from a military medical doctor verifying your eligibility as a recovering service member. Please have your commanding officer or military medical doctor include the expected recovery date in your verification letter.** This will allow the California Department of Fish and Wildlife (CDFW) to enter this date into our licensing system and allow you to renew your license without submitting another letter from your commanding officer or doctor. Submit proof of hunter education or a copy of a prior year hunting license with your application.
